Summary

I am an aspiring full-time software engineer with experience in web design. Graduate of the TechWise Fellowship and DMACC's Computer Languages program. Passionate about being creative and creating well-crafted code that is efficient and ethical.

Projects

Microtonal Pitch Synthesizer | (HTML, CSS, JavaScript, Git, GitHub Pages) [Live](#) | [GitHub](#) | **07/2025**

- Created a music tool to generate and visualize theoretical microtonal pitches, intervals, and chords.

Web Calculator | (HTML, CSS, JavaScript, Git, GitHub pages) [Live](#) | [GitHub](#) | **05/2025**

- Created a web calculator to perform advanced arithmetic operations.

Project Arcibo | (JavaScript, MongoDB, AWS/GCS, Express.js) [Video Demo](#) | [GitHub](#) | **08/2024**

- Hosted a virtual web server using Amazon Web Services and Google Cloud Services.
- Designed a front-end using HTML, CSS, and JavaScript.
- Implemented MongoDB and Atlas on the backend to create a messaging system.
- Used Bcrypt to encrypt data and protect user accounts.

Return of the Fallen | (Unity engine, C#, Vital, FL Studio) [Live](#) | [GitHub](#) | [Video Demo](#) | **08/2023**

- Designed a 2D turn-based RPG with the Unity engine.
- Used a digital synthesizer and a Digital Audio Workstation to create an original soundtrack and sound effects.

Skills

- Programming Languages:** Python, Java, C++, Object Oriented Programming, data structures, algorithms.
- Web Development:** HTML, CSS, JavaScript, Vite, Node.js, Express.js, React.js.
- Databases:** SQL, MongoDB.
- Testing:** Jest, Cypress, Junit.
- Version Control:** GitHub, Gitlab.
- Tools:** Docker, VS Code.

Education

Des Moines Area Community College | Computer Languages *2006 S Ankeny Blvd, Ankeny IA* | **01/2023-12/2023**

- Achievements:** President's list with 4.0 GPA, member of philosophy, creative writing, and fencing clubs.

Grand View University | Bachelor of Arts *1200 Grandview Ave, Des Moines IA* | **08/2012-01/2017**

- Achievements:** Completed a double-major in piano performance and biology in a liberal arts program.

Experience

TechWise cohort 2 fellowship program *Online* | **01/2023-08/2024**

- Trained hands-on in programming and web development by Google.
- Achievements:** Directed groups of 5 programmers to create successful group projects.

Crew Member | Pancheros Mexican Grill *2310 SW Delaware Ave, Ankeny IA* | **08/2024-Present**

- Operated cash register, prepared food, maintained clean equipment, and maintained perfect attendance.

Certified Nurse's Assistant | Valley View Village | *2571 Guthrie Ave, Des Moines* | **08/2012-10/2022**

- Assisted 20-50 residents in performing activities of daily living including personal hygiene, mobility, medical device maintenance, serving food, cleaning, and keeping medical records.
